The Board of Directors, by virtue of the authority conferred by Articles 14 of the Bylaws and 7, 7 bis, 8 and 12 of the General Meeting Regulations, has authorised the following procedures and established the following requirements for the exercise of proxy

and voting rights by remote means of communication at this General Shareholders' Meeting:

#### 1. Proxy through remote means of communication

Shareholders who do not attend the General Meeting may delegate their proxy to another person, who need not be a shareholder, by any of the means indicated below.

The designated proxy attending the General Meeting must prove his or her identity in the same manner as that required of the shareholders in attendance. The proxy may only exercise representation and vote by attending the General Meeting.

Any delegation or representation that does not contain the actual name of the person to whom it is delegated, or that is conferred generically to the Board of Directors, shall be understood to be conferred in favour of the Secretary of the General Meeting.

Unless the shareholder indicates otherwise, the delegation conferred extends to proposals for resolutions other than those formulated by the Board and to matters which, although not appearing on the agenda of the meeting, may be submitted to a vote at the General Meeting, as permitted by law.

For the purposes of the provisions of Articles 523 and 526 of the Spanish Companies Act, it is hereby stated that if the proxy is a director of the Company, he/she may be in a situation of conflict of interest in relation to items four, seven (if his/her ratification, re-election or appointment is submitted to the Meeting under that

item), nine and twelve; as well as with regard to proposed resolutions other than those formulated by the Board and matters which, although not appearing on the agenda of the meeting, may be submitted to a vote at the General Shareholders' Meeting as permitted by law.

In all cases of delegation in favour of the Secretary of the General Meeting or a member of the Board of Directors in which the proxy card does not include express instructions to vote against or abstain, it shall be understood for all purposes that the person represented has given precise instructions to vote in favour of all the proposals for resolutions formulated by the Board of Directors in each item on the agenda.

In the event that the proxy extends to proposals for resolutions other than those of the Board or to matters not included on the agenda as indicated above, if the proxy is granted to the Secretary of the General Meeting or to a member of the Board of Directors and the proxy card does not include express instructions to vote in favour or abstain in these cases, it shall be understood for all purposes that the proxy has given precise instructions to vote against such proposals.

##### 1.1. Postal delivery or correspondence

The proxy shall be granted by filling in the section included for this purpose on the attendance, proxy or voting card provided by the deposit entity to the shareholder or on the proxy card that the Company makes available to the shareholders on its corporate website ([www.indracompany.com](http://www.indracompany.com)) in the section relating to the General Shareholders' Meeting. Shareholders can obtain a Company proxy card by

downloading and printing it from the website; picking it up at the registered office of the Company; or simply asking the Shareholders' Office to send it to them free of charge.

The duly completed and signed card must be sent by post or delivered by hand to the registered office [Oficina del Accionista, Av. de Bruselas 35, Alcobendas 28108, Madrid].

No more than one representative may attend the General Meeting, who must be notified of his or her appointment and, where applicable, voting instructions. When the proxy is conferred to a member of the Board of Directors or the Secretary of the General Meeting, the proxy shall be deemed to have been granted upon receipt at the registered office of the documents evidencing the proxy.

#### 1.2. Electronic communications via the "Participation Platform"

Proxies may be granted and notified to the Company electronically using the "Participation Platform", which will be set up for this purpose on the Company's corporate website ([www.indracompany.com](http://www.indracompany.com)), in the section relating to the General Shareholders' Meeting. This will become active from the date on which the notice convening the General Shareholders' Meeting is published.

In order to gain access to the system and use its applications, shareholders must have previously registered as Registered Users, providing evidence of both their identity and their status as shareholder by completing the relevant registration form, pursuant to

the Terms and Conditions published on the Company's website.

Shareholders will prove their identity by means of a valid digital ID card or an authorised and currently valid digital certificate (as required under Spanish Act 6 of 11 November 2020, which governs certain issues relating to trusted digital services), issued by the Spanish Public Certification Authority (*Autoridad Pública de Certificación Española*, CERES), a division of the Spanish National Mint (*Fábrica Nacional de la Moneda y Timbre*, FNMT), or by other Certification Service Providers.

Once they have proved their identity and status as a Company shareholder in one of the foregoing ways, they will be granted authorised access to the system and entered as a Registered User. Confirmation of this status will be sent by email to the address provided for this purpose during the registration process, and from that moment on the shareholder will be able to grant a proxy.

Access by Registered Users to the system will at all times be conditional upon their maintaining the status of shareholder.

A detailed explanation of the procedure to be followed by the shareholder to exercise this right can be found on the Participation Platform under the option "Proxies and remote voting".

## 2. Voting by remote means of communication

Shareholders may exercise their voting rights on the items on the Agenda, without the need to attend the

General Shareholders' Meeting and prior to it, using the means indicated below. Shareholders casting their vote in this way shall be deemed to be present for the purposes of the constitution of the General Meeting.

### 2.1. Postal delivery or correspondence

Voting rights may be exercised by this procedure by filling in the voting section included for this purpose on the attendance, proxy or voting card provided by the deposit entity to the shareholder or by filling in the card that the Company makes available to shareholders on its corporate website ([www.indracompany.com](http://www.indracompany.com)) in the section on the General Shareholders' Meeting. Shareholders may obtain a Company voting card by downloading and printing it from the website; by picking it up at the registered office of the Company; or by asking the Shareholders' Office to send it to them free of charge.

As indicated in the "ATTENDANCE AND VOTING RIGHTS" section herein, the proposed resolutions included under item seven on the agenda will each be subject to an individual and separate vote. In the event that the attendance, proxy or voting cards issued by the deposit entities do not provide an individual breakdown of each of the proposals, shareholders may record their separate and individual vote for each proposal on the card itself or on the card that the Company has made available to its shareholders as of the date of the notice convening the General Meeting on its website ([www.indracompany.com](http://www.indracompany.com)). Otherwise, it shall be understood that the way in which the vote is cast refers to the entirety of the proposed resolutions contained in item seven on the agenda.

The duly completed and signed card must be sent by post or delivered by hand to the registered office (Oficina del Accionista, Av. de Bruselas 35, Alcobendas 28108, Madrid).

In the event that the voting direction is not indicated on the card, it shall be understood that the shareholder votes in favour of the proposals for resolutions made by the Board of Directors in each item on the Agenda published in the notice convening the meeting.

### 2.2. Electronic communications via the "Participation Platform"

Votes may be cast electronically via the "Participation Platform", which will be provided for this purpose on the Company's corporate website ([www.indracompany.com](http://www.indracompany.com)) in the section on the General Shareholders' Meeting, and which will become active from the date on which the notice convening the General Meeting is published.

In order to gain access to the system and use its applications, shareholders must have previously registered as Registered Users, providing evidence of both their identity and their status as shareholder by completing the relevant registration form, pursuant to the Terms and Conditions published on the Company's website.

Shareholders will prove their identity by means of a valid digital ID card or an authorised and currently valid digital certificate (as required under Spanish Act 6 of 11 November 2020, which governs certain issues relating to trusted digital services), issued by the

Spanish Public Certification Authority (*Autoridad Pública de Certificación Española*, CERES), a division of the Spanish National Mint (*Fábrica Nacional de la Moneda y Timbre*, FNMT), or by other Certification Service Providers.

Once they have proved their identity and status as a Company shareholder in one of the foregoing ways, they will be granted authorised access to the system and entered as a Registered User. Confirmation of this status will be sent by email to the address provided for this purpose during the registration process, and from that moment on the shareholder will be able to cast his/her vote.

Access by Registered Users to the system will at all times be conditional upon their maintaining the status of shareholder.

A detailed explanation of the procedure to be followed by the shareholder to exercise this right can be found on the Platform under the option “Proxies and remote voting”.

### 3. Common rules to the exercise of proxy and voting rights by remote means of communication

#### 3.1. Data verification

The Company reserves the right to check the information provided by each shareholder against the information provided by Iberclear, the entity in charge of the accounting registration of the Company's shares. In the event of any conflict between the number of shares notified by the shareholder issuing their proxy vote or vote by electronic communication

or by means of the attendance, proxy or voting card (whether this is a card issued by a deposit entity or a card made available by the Company on the corporate website [www.indracompany.com](http://www.indracompany.com)) and the number of shares recorded in the registry entries notified by Iberclear, only the number of shares recorded in the Iberclear Register shall be deemed valid for quorum and voting purposes.

#### 3.2. Legal persons

Where shareholders are legal persons, the Company reserves the right to require evidence of the sufficiency and validity of the power of attorney of the private individual acting on behalf of the shareholder. The legal person must also notify any modification or revocation of the powers held by its representative and, therefore, the Company declines any liability until such notification is made.

#### 3.3. Deadline for receipt by the Company

In order to be valid, proxies granted and votes cast by remote means of communication must be received by the Company by 9:00 a.m. (CEST) on 25 June 2025, the date on which the General Meeting is scheduled to be held at first call.

#### 3.4. Revocation and priority

- (i) Proxies and the exercise of voting rights cast by remote means of communication are always revocable, and must be expressly revoked by the same means used to cast them, within the period established for such casting.

- (ii) The attendance of shareholders at the General Meeting, as well as attendance resulting from a vote cast remotely prior to the holding of the General Meeting, implies the revocation of any proxy, irrespective of the date and form of the proxy.

- (iii) The attendance of the shareholder at the General Meeting entails the revocation of the vote cast by remote means of communication.

- (iv) The casting of votes and the granting of proxies by electronic means shall, in any event, prevail over votes cast by the same shareholder by delivery or postal correspondence.

### 3.5. Responsibility for the safekeeping of the electronic certificate and signature creation devices

- (i) Shareholders are solely responsible for the diligent use of their electronic ID and electronic signature creation data, as well as the safekeeping of the electronic certificate for the exercise of their proxy or remote voting rights by electronic means.

- (ii) It is for the shareholder using the electronic signature to prove that the electronic certificate used has not been revoked or suspended or otherwise expired or rendered unusable at the time of generating the electronic signature.

### 4. Remote link attendance

Notwithstanding the provisions of the preceding paragraphs and in accordance with the provisions of article 14 of the Bylaws and 7 bis of the Regulations of the General Meeting, the Board of Directors has agreed that attendance at the General Meeting may also be by remote link that allows real-time connection with the venue where the General Meeting is held ("remote link attendance").

Shareholders who wish to attend the Meeting remotely may do so via the "Participation Platform", which will be activated on the Company's corporate website ([www.indracompany.com](http://www.indracompany.com)), in the section relating to the General Shareholders' Meeting, where shareholders must have previously registered as Registered Users, providing evidence of both their identity and their status as shareholder by completing the relevant registration form, pursuant to the Terms and Conditions published on the Company's website.

Shareholders will prove their identity by means of a valid digital ID card or an authorised and currently valid digital certificate (as required under Spanish Act 6 of 11 November 2020, which governs certain issues relating to trusted digital services), issued by the Spanish Public Certification Authority (Autoridad Pública de Certificación Española, CERES), a division of the Spanish National Mint (Fábrica Nacional de la Moneda y Timbre, FNMT), or by other Certification Service Providers.

Once they have completed the registration process and proved their identity and status as a Company shareholder in one of the foregoing ways, they will be granted authorised access to the system and entered as a Registered User. In order to access the Platform,

users must enter their email address and the password provided during the registration process.

Instructions for using the Platform can also be found on the Platform itself. Remote link attendance will be possible from any device with Internet access. Physical attendance at the General Meeting shall render electronic attendance by the shareholder (or his/her proxy) ineffective.

#### 4.1. Pre-registration

In order to be able to attend the General Meeting via remote link, in addition to registering on the "Participation Platform", shareholders (or their proxies) must register by selecting the "Remote Attendance" option and then clicking on "Request for remote attendance" on the aforementioned "Participation Platform" between 00:00 hours (CEST) on 20 June 2025 and 23:59 hours (CEST) on 24 June 2025.

#### 4.2. Connection and registration on the day of the General Meeting

Shareholders (or their proxies) must access the "Participation Platform" and select the "Remote Attendance" option between 11:30 a.m. and 12:30 p.m. (CEST) on the day of the General Meeting, identifying themselves with their email address and the password provided during the registration process. No registration will be accepted outside this timeframe.

In the event that there is insufficient quorum at first call, the Company will publish this on the corporate

website, confirming that the General Meeting will be held at second call. In this case, shareholders (or their proxies) who have connected and registered at first call must complete the registration process again on the day on which the General Meeting is held at second call, in order to be able to attend the meeting.

#### 4.3. Intervention

Shareholders (or their proxies) who, in exercising their right to information, wish to speak at the General Meeting or make proposals for resolutions in the cases permitted by law, must do so from the time of their connection and registration on the day of the General Meeting, attaching their intervention, question or proposal through the intervention procedure set up for this purpose in the "Participation Platform", under the option "Remote Attendance".

Interventions may thus be submitted until such time as the Chairman declares the General Meeting to be validly constituted.

Shareholders (or their proxies) who wish their intervention to be recorded in the minutes of the General Meeting must expressly indicate this in the text of the minutes.

Requests for information thus formulated shall be answered during the meeting itself or in writing within seven days following the General Meeting.

#### 4.4. Voting

Voting on the proposals for resolutions included in the Agenda may be carried out through the voting

procedure set up for this purpose in the “Participation Platform”, under the option “Remote Attendance”, from the time the shareholder (or his/her proxy) has logged in and registered at the General Meeting in accordance with the procedure set out in section 4.2. above until the end of the intervention period in the room where the General Meeting is held.

Should the shareholder (or his/her proxy) fail to indicate the way he/she wishes to vote, it shall be understood in all cases that he/she votes in favour of the resolutions proposed by the Board of Directors in each item on the agenda.

With regard to proposed resolutions on matters that, as permitted by law, need not appear on the agenda, anyone attending by remote link may cast their votes when the Chairman so indicates following the reading of the proposal. If a shareholder (or his/her proxy) does not indicate the way in which he/she wishes to vote with regard to proposals for resolutions on matters which do not need to be included on the Agenda (where this is permitted in Law), it shall always be understood that they have voted against the proposal in question.

#### 5. Service availability

The Company reserves the right to modify, suspend, cancel or restrict the electronic voting and proxy mechanisms as well as remote link attendance when technical or security reasons so require or impose.

The Company shall not be liable for any damages that may be caused to the shareholder as a result of breakdowns, overloads, downed communication

lines, connection failures, technological incompatibility, malfunctioning of the postal service or any other eventuality of the same or a similar nature, beyond the Company's control, which may hinder or prevent the shareholder from granting proxy and casting votes by remote means of communication, or from attending the General Meeting by remote means of communication.

Whenever remote link attendance at the General Meeting is not possible as detailed in section 4 due to technical circumstances not attributable to the Company, or if there is a temporary or permanent interruption of communication during the meeting, this circumstance may not be invoked by the shareholder as an unlawful deprivation of his or her rights.
