Auditors' Report on the Consolidated Annual Accounts

To the Shareholders of
Indra Sistemas, S.A.

We have audited the consolidated annual accounts of Indra Sistemas, S.A. (the "Company") and subsidiaries (the "Group"), which comprise the consolidated statement of financial position at 31 December 2012, the consolidated income statement, the consolidated statement of comprehensive income, the consolidated statement of changes in equity, the consolidated statement of cash flows for the year then ended and the notes thereto. As specified in note 2 to the accompanying consolidated annual accounts, the Company's directors are responsible for the preparation of the consolidated annual accounts in accordance with International Financial Reporting Standards as adopted by the European Union, and other provisions of the financial information reporting framework applicable to the Group. Our responsibility is to express an opinion on the consolidated annual accounts taken as a whole, based on our audit, which was conducted in accordance with prevailing legislation regulating the audit of accounts in Spain, which requires examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated annual accounts and evaluating whether their overall presentation, the accounting principles and criteria used and the accounting estimates made comply with the applicable legislation governing financial information.

In our opinion, the accompanying consolidated annual accounts for 2012 present fairly, in all material respects, the consolidated equity and consolidated financial position of Indra Sistemas, S.A. and subsidiaries at 31 December 2012 and the consolidated results of their operations and consolidated cash flows for the year then ended, in accordance with International Financial Reporting Standards as adopted by the European Union, and other provisions of the applicable financial information reporting framework.

The accompanying consolidated directors' report for 2012 contains such explanations as the Directors of the Company consider relevant to the situation of the Group, the evolution of its business and other matters, and is not an integral part of the consolidated annual accounts. We have verified that the accounting information contained therein is consistent with that disclosed in the consolidated annual accounts for 2012. Our work as auditors is limited to the verification of the consolidated directors' report within the scope described in this paragraph and does not include a review of information other than that obtained from the accounting records of Indra Sistemas, S.A. and subsidiaries.
