

Annual Shareholders Meeting

PROXY PROCEDURE AND PROCEDURE FOR LONG DISTANCE VOTING

The Board of Directors, under the authority conferred to it by Article 14 of the Bylaws and Articles 7 and 12 of the General Shareholders' Meeting Rules, has authorized the following procedure and requirements for the exercise of proxy rights and long distance voting at the Annual Shareholders' Meeting:

1. Representation by long distance communication

Shareholders not attending the Meeting may delegate their votes by any means indicated below to another person, who need not be a Shareholder.

The designated representative who attends the Meeting must prove his or her identity in the same fashion as attending Shareholders. The representative may exercise his or her proxy and vote only by being physically present at the Meeting.

Any proxy or representation which does not expressly indicate the person to whom the proxy is made or which is made generally to the Board of Directors will be conferred upon the Secretary of the Meeting.

Unless otherwise indicated by the represented Shareholder, the proxy applies to resolutions other than those drafted by the Board or to any matters permitted by law not included in the Agenda which may be submitted to the Meeting.

In accordance with the provisions of Articles 523 and 526 of the LSC, it is to be noted that if the representative is a Company Director, said representative may find himself in a situation of conflict of interest regarding Items 4.2, 4.3, 4.4, 4.5, 7, 8 and 9 of the Agenda, as well as other proposals for resolutions not necessarily brought by the Board and regarding matters which are not included in the Agenda which may nonetheless be submitted to vote at the Meeting, when such is permitted by law.

For all proxies given to the Secretary of the Meeting or to a member of the Board of Directors where the proxy card does not contain express instructions to vote against or to abstain, it is understood that in all instances the represented Shareholder has given specific instructions to vote in favour of all of the proposals drafted by the Board of Directors included in the Agenda.

In the event that a proxy be applied to resolutions other than those drafted by the Board or not included in the Agenda in the manner indicated above, should the proxy empower the Secretary of the Meeting or a member of the Board of Directors, and the proxy card

contain no express instructions to vote in favour or to abstain, it will be understood that the shareholder has conferred instructions to vote against said proposals.

1.1. Delivery or Correspondence by mail

Proxy rights are conferred by filling in the section included for that purpose on the attendance card provided by the share registry depository or that which the Company makes available to Shareholders by means of its website (www.indracompany.com) in the section dedicated to the General Shareholders' Meeting. The Shareholder may obtain a Company proxy card by downloading one from the website and printing it; retrieving one from the corporate offices; or requesting that a copy be sent free of charge from the shareholder office.

The properly filled out and signed card should be sent by mail or hand delivered to the corporate office (Oficina del Accionista, Av. de Bruselas 35, Alcobendas 28108, Madrid) accompanied by a photocopy of an official government issued identification document.

No one may have more than one representative at the Meeting, to whom his or her appointment should be communicated and, if so, the voting instructions. When a proxy is given to a member of the Board of Directors, the communication is complete upon receipt of the documentation constituting same at the corporate office.

1.2. Electronic Means

The delivery of proxies and notice to the Company may be made electronically through the Company website (www.indracompany.com.) The procedure that a Shareholder must follow for exercising his right to vote is explained there in detail. The Shareholder must prove his or her identity by means of an unexpired electronic DNI or a recognized irrevocable electronic certificate issued by the Fábrica Nacional de la Moneda y Timbre (FNMT).

2. Long Distance Voting

Shareholders may exercise their right to vote without the need of attending the Meeting using means indicated below. Shareholders who vote in this way will be considered present for the purposes of quorum.

2.1. Hand or Mail Delivery

The exercise of the right to vote by this procedure is accomplished by filling out the appropriate section of the attendance card provided by the share depository or by completing the one made available by the Company to Shareholders on its website (www.indracompany.com) in the section dedicated to the General Shareholders' Meeting. The Shareholder may obtain a Company voting card by downloading and printing from the website, by retrieving one from the corporate office or requesting one be sent free of charge from the Shareholder Office.

A properly filled out card with original signature should be sent to the company office by post or it may be hand delivered to the corporate office (Oficina del Accionista, Av. de Bruselas 35, Alcobendas 28108, Madrid) accompanied by a photocopy of a government issued identification document.

In the event that the card does not indicate the way to be voted, it will be assumed in all cases that the Shareholder votes in favour of each of the proposed resolutions formulated by the Board of Directors which appear in the Agenda published at call.

2.2. Electronic Means

Votes may be cast electronically by means of the system designed for such on the Company website (www.indracompany.com). There, the Shareholder will find detailed explanation of the procedure to follow in order to exercise voting rights. The Shareholder who wishes to use this voting procedure must prove his identity using an unexpired electronic DNI or using a recognized irrevocable electronic certificate issued by the FNMT.

3. Rules common to the exercise of proxy rights and long distance voting

3.1. Identity Verification

The Company reserves the right to verify information given by each Shareholder by matching it with that provided by Iberclear, the entity in charge of the book entries for Company shares. In the event of a discrepancy between the number of shares communicated by the Shareholder on the proxy card, by electronic voting, or by forms made available on the corporate website (www.indracompany.com) and the number in the book entries as communicated by Iberclear, the number of shares registered by Iberclear shall be considered valid for quorum and voting purposes.

3.2. Artificial Persons

In the case of artificial person Shareholders, the Company reserves the right to require evidence of the sufficiency and currency of the power of attorney presented by the natural person acting in the Shareholder's place.

- (iii) Physical attendance of the Shareholder at the Meeting revokes any vote sent by long distance communication.
- (iv) Any vote or proxy submitted by electronic means will always prevail over a vote made by hand delivery or post.

3.5. Responsibility for Custody of the Electronic Certificate and the Devices for Creating the Electronic Signature

- (i) The Shareholder is exclusively responsible for the diligent use of his or her electronic DNI and the data for creating electronic signatures and for custody of the electronic certificate for exercising proxy rights or distance voting through electronic means.
- (ii) The Shareholder using an electronic signature is responsible for proving that the electronic certificate used has not expired or been revoked, suspended, or otherwise made invalid at the moment the electronic signature is generated.

3.6. Availability of Service

- (i) The Company reserves the right to modify, suspend, cancel or restrict voting mechanisms and electronic proxies when technical or security reasons so require.
- (ii) The Company will not be responsible for any damages which might be suffered by the Shareholder as a result of outages, overloads, fallen communication lines, connection failures, postal service malfunction or any other eventuality of an equal or similar nature outside the control of the Company which might hamper or impede the Shareholder from exercising voting rights or proxy rights by long distance communication.
